

# Jessica Pulizzotto

*Digital Arts and Design*

*Game Development*

## Objective

LIU Post graduate looking for work opportunities in art and design, with a deep passion for animation and character design.

## Freelance Designer, Remote

*2018 - Present*

VRchat Avatar for Your Narrator, YouTuber

Requested to make a 3D model character representative of Your Narrator character. Model was made in Vroid studio using textures created with Photoshop. Model was then imported into Blender for mesh adjustments, additional modeling and adaptability for motion tracking. Model was then brought into Unity to be set up with VRchat requirements and gestures. Submitted and purchased.

Graphic Logo Designs for GOAT USA

Requested 10 iterations of the mascot "Chuck" to be used for merchandise and proof of brand understanding. Logo was to be reimagined as Chuck in different settings or personas. Submitted and 3 purchased for brand use.

Logo Design

Worked with small companies to create a logo fitting for their brand. Logos have been made for Sparkle Photography, Edith Pulizzotto (Realtor) and Shatter Labs.

Art Commissions

Worked with friends, family and online to produce artwork as requested. Most commissioned artwork being art assets for games, such as sprites or user interface.

## Specialist, Main Street Board Game Cafe, Huntington NY

*2022 - Present*

Cafe staff, assisting customers with finding and/or learning games they would enjoy, making drinks and snacks. Cleaning up the kitchen and maintaining appliances.

## Lego Robotics Teacher, Game Builders Academy, Hofstra University NY

*2021 - 2022*

Taught summer classes for children 6 to 14. Class included construction of Lego Mindstorm robots and programming them in Mindstorm and JavaScript. Class included Sphero robots and making custom programs in JavaScript.

## Lab Technician, LIU Post NY

*2021 - 2022*

Assisted students in their work in design and printing. Maintained computers and printers. Trusted with closing and opening of the computer labs in the Humanities building.
